

TOP REASONS WHY

1

Product Design & Reliability

Cargo Mate's decades of trailer design and building experience are the difference between a good product and a great product.

2

Support After Purchase

We value the relationships we have with our customers and will stand behind you with an excellent warranty and solid service!

3

Confidence & Peace of Mind

Here at Cargo Mate our focus is on safety and long-term satisfaction to our customers.

4

Quality Components

We use high grade components and have invested in quality construction practices that exceed other brands on the market. Our long-term partnerships with experienced vendors add safety, value, and quality to each and every unit we build.

5

Superior Craftsmanship

Let Cargo Mate's more than 25 years of experience be your trusted manufacturer for your next cargo or custom race trailer.
